## 1 Zoho One licence

Paid to Zoho, billed yearly. Covers all 45+ Zoho apps.

### ALL-EMPLOYEE PLAN

~~₹1,800~~ **₹1,250**

per employee / month

A licence for every employee on your payroll. Cheapest per person when most of your team will use Zoho.

### FLEXIBLE PLAN

**₹3,500**

per user / month

Pay only for the people who log in. Just sales or accounts? Zoho CRM or Books alone costs less, and we'll quote both options.

**Save on the licence too.** Set up with us and we pass our partner discount on to you: up to 10% off Zoho's list price.

**Example:** a 20-person company on the All-Employee plan pays ₹25,000 a month + 18% GST, billed yearly. These are Zoho's current India prices; we'll confirm them on the call.
